Notes on Getting Cardboard

Aaron Brothers (see above) sells and cuts cardboard to size

Plastic Mart, 2101 Pico Blvd., SM (call to inquire when cardboard will be discarded)

Try appliances stores (refrigerator boxes, etc.) furniture stores, supermarkets, etc.

Try to find lightweight cardboard since, it is easy to carry and to cut. Look for cardboard with a smooth surface because you will be drawing on it. To cut cardboard use single edge razor blade, matte knife, or utility knife. Cut away from your body, arms, and hands. Be Careful!
